HELMET WARNING: (the Missouri Wolverines will issue every player a reconditioned certified helmet)

This warning is on the back of all of our helmets and is used to make parents and players aware of the risks involved with playing the game of football.
NO HELMET CAN PREVENT SERIOUS HEAD OR NECK INJURIES...
Contact in football may result in **CONCUSSION BRAIN INJURY** which no helmet can prevent.
Symptoms include: loss of consciousness or dizziness, headache, nausea, or confusion.
If you have symptoms, immediately stop playing and report them to your coach, trainer, and parents.
Do not return to a game or practice until all symptoms are gone and you have received **MEDICAL CLEARANCE**. Ignoring this warning may lead to another and more serious or fatal brain injury.
